For Sale: Four Sears Allstate Guardsman 3.5" wide whitewall tires, 4 ply polyester/bias ply with at least 60% tread and nice clean whitewalls, size 7.60-15. I ran them with tubes, no damage, none ever went flat. Also, one 80's vintage Sears 3.5" wide whitewall, 4 ply polyester, H78-15...used as spare, never left the trunk, brand new, still has tread stick-er. These were off my Desoto, so they spent most of their time in the garage. I hope someone can use these, as I need them out of my garage and I'd hate to send them to the dump! \$200 obo. Call, send me an email or phone number and I'll email or text you as many photos as you'd like. Gary Raymond gccruzer@gmail.com or 206-406-0136

For Sale: New windshields for 57-64 MoPar hardtops and convertibles. OE quality reproductions with correct bubble, tint, and fit, not South American made. Prices from \$500.
